From the Prez

It has been rather depressing the last few weeks for our local resorts. Warmer temperatures have made it rather difficult to make snow leading to a delay in opening this season. I've been told there is a colder climate approaching and the minute those temps drop snow making will resume. We hope that the unseasonably mild temps have made your holidays more enjoyable and that you have had plenty of bonding time with those close to you. Looking for a way to put those Christmas Dollars to good use? Check out our many trips that will be happening this season. I am very pleased to announce my goal of "Making Killington our Largest Trip Ever" is going to be a complete success! If there is one trip you do not want to miss out on it's Killington! We have something for the locals too... Night Club Cards are still available for purchase through our website. We have a schedule of meet ups for our Night Club Card members as well as free lessons available. If we can't make it out locally next week, plan for our Show Up/Go Up to Seven Springs on Saturday, January 14th. Until then, have a safe and Happy New Year from all of us with Chesapeake Ski & Board Club.

Night Club Cards are Ready!

Night Club Cards are ready and waiting for those of you who ordered them. Be sure to head up to Liberty to pick them up. If this is your first NCC you will need to have your picture taken. Allow up to half an hour to get your card if the lines are long. All the resorts are open and making snow, so now is the time to get back out there.

For those of you who haven't purchased a NCC yet it is not too late to get your 2012 Night Club Card. A NCC will get you a lift ticket any day from 4pm – 10pm (3pm on Sundays) at Liberty, Whitetail, and Roundtop. It's basically a Season Pass for night skiing and riding! It's by far the most active thing we do and we're one of the resorts biggest groups. Plus with rates this low and rental packages available, this is by far the most affordable way to get on the snow to learn or just have a good time.

We tend to recommend the Advantage Card. It gives you 40% off of lift tickets, lessons, and rentals and is usually priced at \$84 - \$119 – you get it for only \$20.

You can sign up for your Night Club Card through the online system by vising our [website](#)
