## A New Year!

The Club has turned five years old and despite the poor conditions last year we are excited about what this season will bring. Our new membership year officially started on July 1<sup>st</sup>, and we've got big plans for you this coming season. Inside of this issue you'll find details on Night Club Card signups, some hints on the trips we have planned this coming season, and an introduction to our brand new Officers. Read on and enjoy!

## Night Club Card Signups!

Our Night Club Card program is back once again and signups are on! A NCC will get you a lift ticket any day from 4pm – 10pm (3pm on Sundays) at Liberty, Whitetail, and Roundtop any time after January 2<sup>nd</sup>. It's basically a Season Pass for night skiing and riding! It's by far the most active thing we do and we're one of the resorts biggest groups. Plus with rates this low and rental packages available, this is by far the most affordable way to get on the snow to learn or just have a good time.

We tend to recommend the Advantage Card. It gives you 40% off of lift tickets, lessons, and rentals and is usually priced at \$84 - \$119 – you get it for only \$20. It will save you some bones if you plan to get out in December when the snow starts flying.

## Night Club Card Options

This year the resorts are also offering a Night Season Pass for \$239 for unlimited access all season long from 5pm – 10pm. The great part is it is a direct-to-lift pass, so you don't have to hassle with going to the ticket office every time. You might want to think about it if you plan on getting out a few times in December.

## Roll Over Card Information

If you purchased any of the Night Club Card options last season, and used it less than 2 times, then you should be eligible for a Roll Over Card this year. The Roll Over Card is \$30 and gets you the same card you had last year. You can even upgrade to another NCC option for just the difference between packages.

Since last year was so warm, there we have close to 50 members on the Roll Over list. Each of you should have received a post card from Liberty confirming your eligibility. We hope that each of you will take advantage of the roll over offer to hit the slopes even more this season, and get a real return on your investment.

Roll Over Cards cannot be purchased online. You will have to fill out a paper form. Please send us an [email](#) if you have any questions, or think your postcard might have gotten lost.

# How to get a Night Club Card

Our members have two convenient ways to sign up for a Night Club Card. You can sign up online and send us your signed waiver, or meet up with us at one of our sign up events. Note that if you qualify for a Roll Over Card, you will need to sign up in person.

## Signup in Person

## Meet the 2012 Club Officers

Our End of the Year Party was one of our largest with over 30 members attending. It was a great way to close out the season and get things going for the next. We also held our elections, and here are your board members for the 2012-2013 season!

**Kimberly King**

### **President**

Born and raised in Maryland, Kimie joined the board in 2009 as Trip Coordinator. Kimie has had hands-on experience with just about every responsibility of the board. Now comfortable with the role she is dedicated to running an efficient and effective operation. This year Kimie will be emphasizing on ways to build membership and evolve the club with more events such as Night Club Member Meet Ups, Adventurous Trips, as well as Off Season Events. What keeps her motivated? The little moments; being on the mountain, gratitude from our members, and of course trying to keep our board meetings on topic :)

**Matthew Piotrowski**

### **Vice President**

Matt started skiing when he was 4 in upstate New York, but it wasn't until he moved out west that he learned how great skiing can truly be. Now Matt makes at least two pilgrimages out west each year in search of the ultimate powder runs. As Vice President he wants to get more people of all skill types involved with our trips and night club cards. As a side project Matt enjoys video editing, and is working on a highlight reel from last season's trips. This year he hopes to catch even more epic runs (and epic falls) on film.

**Dan Ulinski**

### **Trip Coordinator**

Dan originally is from the Pittsburgh, Pennsylvania area. Dan started skiing at age five and grew up on the slopes of Seven Springs, Hidden Valley, and Peak n' Peak. His favorite runs growing up were Goosebumps and Giant Steps at Seven Springs. Dan currently works as an electrical engineer to support his quest to find deep pow, high peaks, and steep runs. Dan has been planning trips for himself and his buds for about ten years. He hopes to utilize that experience over the course of the 2012-13 season to provide the club with the very best trips for all. If you can't find Dan he is most likely tearing it up in the Sierra Nevada's of California or the Green Mountains of Vermont. Dan recently found out that he enjoys backcountry skiing and plans to do more of that in the upcoming season. He truly enjoys the outdoors; in the warmer months he is most likely climbing, hiking, camping, or running.

## Sara Stiles

### Treasurer

Hey boarders and skiers! My name is Sara but most of my friends call me Stiles. I have been a member of the Club for three years now and am excited to take on the role of Treasurer. Who doesn't love money? What I am even more excited for though is another 2010 style blizzard this year. It was pretty sweet to go snowboarding in my own neighborhood. When I am not snowboarding I am probably running, cooking, sleeping, hiking, camping, or brewing beer. I really love traveling and my favorite food is macaroni and cheese. Get your snow dance on so I can see you all on the slopes!

## William Breslin

### Membership

Everyone calls me Billy. William/Bill/Will sound too grown-up. I am originally from the Northeast PA region and grew up in a family of skiers. My dad had me and my 3 brothers on the slopes with skis by the time we were 3 years old. We frequently skied at Montage (now Snow) Mountain, Elk, Eagle Rock, Jack Frost, and Big Boulder. Each year we would take a few trips up to VT for the weekends to ski and as we got older did many trips out west to MT, CO, WY, UT, and Canada. I enjoy any outdoor activity really and got into rugby, boxing, and triathlons in the past few years. I love to party. I have been a member of the club for a few years, taking advantage of the Night Club Cards and a VT ski trip. I am always trying to organize my friends and recruit people to travel with, so membership coordinator seemed like a good fit for me. I am hoping to find new ways to network and get more people involved in the club activities..

## Kevin King

### Communications

Back again for another stint in communication, when this skier turned snowboarder isn't on the slopes, he enjoys sailing, caving, going to DC United soccer games, long walks on the beach, candlelit dinners, and ... o wait, that's not this kind of bio. Kevin's working to make the website easier to use for everyone so that it's the destination to get CSBC information between your fixes of Tracks. Check back periodically at <http://www.chesapeakeskiandboard.org> periodically to see what's changing and what's new!

## Social Networking

We are putting a larger emphasis on our social networking outlets. So follow us on *Twitter*, friend us on *Facebook*, and join us *Meetup.com*. Click any of the buttons below to go right to our pages. This winter social networking will be the best way to join us for trips to the local resorts, or anywhere else the snow is falling.
